

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF OREGON
PORTLAND DIVISION

DANNY KEITH CORWIN,

Petitioner,

v.

MARK NOOTH,

Respondent.

No. 2:10-cv-01229-SU

OPINION AND ORDER

MOSMAN, J.,

On August 21, 2012, Magistrate Judge Sullivan issued her Findings and Recommendation (“F&R”) [51] in the above-captioned case recommending that I deny the petitioner’s request to expand the record and his Petition for Writ of Habeas Corpus [1]. She also recommended that I decline to issue a Certificate of Appealability. No objections were filed.

DISCUSSION

The magistrate judge makes only recommendations to the court, to which any party may file written objections. The court is not bound by the recommendations of the magistrate judge, but retains responsibility for making the final determination. The court is generally required to make a de novo determination regarding those portions of the report or specified findings or recommendation as to which an objection is made. 28 U.S.C. § 636(b)(1)(C). However, the court is not required to review, de novo or under any other standard, the factual or legal conclusions of the magistrate judge as to those portions of the F&R to which no objections are addressed. *See*

Thomas v. Arn, 474 U.S. 140, 149 (1985); *United States v. Reyna-Tapia*, 328 F.3d 1114, 1121 (9th Cir. 2003). While the level of scrutiny under which I am required to review the F&R depends on whether or not objections have been filed, in either case, I am free to accept, reject, or modify any part of the F&R. 28 U.S.C. § 636(b)(1)(C).

Upon review, I agree with Judge Sullivan's recommendation, and I ADOPT the F&R [51] as my own opinion.

IT IS SO ORDERED.

DATED this 11th day of September, 2012.

/s/ Michael W. Mosman
